

Information

on the extension of the deadline for bid submission for the concession award for the exploration and exploitation of oil and gas in the Federation of Bosnia and Herzegovina

FBiH Government, on its 221st session, held on April 30, 2020, adopted the information from the FBiH Ministry of Energy, Mining and Industry on the impact of the coronavirus pandemic on the international public call for concession awards for exploration and exploitation of oil and gas in the Federation of Bosnia and Herzegovina and accepted the extension of the deadline for bid submission to the fourth quarter of 2020.

The FBiH Ministry of Energy, Mining and Industry will, based on the estimated situation and the ability to prepare and submit bids, determine the exact date by which bids may be submitted and it will be timely published on the websites of the Ministry and FBiH Government, at least two months before the specified date for bid submission.
